## FOR IMMEDIATE RELEASE

**Counterweight Theatre Lab to premiere a funny and moving play about an unpredictable wedding**

### **BRIDE, GROOM, SUNDAY, FOREVER**

by Soren Narnia

July 30 - August 15

**Colorado Springs, Colo.** (July 2, 2021) - **Counterweight Theatre Lab** is proud to present another show from storyteller (and audience favorite!) Soren Narnia, ***Bride, Groom, Sunday, Forever.*** Muriel Belman and Stanley Kellogg are getting married, but instead anything traditional, they want an honest, eyebrow-raising, and often hilarious ceremony like you've never seen before.

Instead of a minister and readings, the couple has planned a ceremony of speeches, honest and often hilarious confessions from their friends revealing their secrets and fears, and play-acted depictions of key points in their relationship. In presenting themselves to us as honestly as they can before confronting married life together, Muriel and Stanley hope simply to emerge at the end of the ceremony cleansed enough and determined enough to face the uncertain but boundless future.

After participating in this memorable wedding, the audience will join the cast at the reception for drinks and refreshments, all included in the price of admission.

Soren Narnia, whose work was adapted into previous Counterweight show ***Dream By Day***, is the author of two podcasts consisting entirely of his original fiction: ***Knifepoint Horror*** and ***Those Snowy Nights You Read to Me, They'll Never Be Forgotten.***

The cast includes Joanne Koehler, Andrew Ziegler, Tim Reilly, Dylan Mosley, Allyson Hackworth, Ethan Everhart, Melissa Emig, Barbara Summerville, Richard Sebastian-Coleman, and Jeremiah Walter.

**About Counterweight Theatre Lab:**

Counterweight Theatre Lab is a theatre group focused on intimate, honest, and experimental productions that ask important questions, stimulate the senses, and tell unique stories. We bend things wherever we can, be it in casting, staging, or other theatrical norms, and if you come to a Counterweight show, you're guaranteed to be right up close to (or part of) the action and be confronted with characters and stories at the edge of human experience. We're interested in states of exception, in dissent, in exile, in homecoming, and in the apocalyptic on every scale.
